

Summary

About this Release

These state and timeseries tables provide detailed information from the Childhood Education and Care Survey (cat. no. 4402.0) on childcare and preschool attendance of children aged 0-12 years, and parental information. The data cubes were previously published under the main catalogue number.

History of Changes

27/06/2014

The data cubes have been replaced to correct errors in estimates for "Whether additional formal care or preschool required". This correction has been made to Table 17 of each of the six State data cubes. The categories in these state tables have also been modified to be consistent with the main publication.
